Okdo Word Excel PowerPoint To Pdf Converter Crack+ [Mac/Win] (Final 2022)

Cracked Okdo Word Excel PowerPoint to Pdf Converter With Keygen is a simple application that can be used to perform this task, provided Microsoft Office is installed on your computer. It supports batch processing, can apply watermarks and secure the created documents. However, the program does lack some important functions, preventing you from converting specific pages or slides from each source file or modifying document dimensions. Offers batch conversion capabilities Okdo Word Excel PowerPoint to Pdf Converter Crack For Windows is especially useful if you need to process a large number of files quickly. It allows you to load documents, presentations and spreadsheets and then convert them all to PDF in one operation. However, you cannot specify which pages or slides should be extracted from the source files. Customize output parameters The application includes several built-in PDF creation methods, each suited for certain types of content. You can choose whether each page, sheet or presentation slide should be exported to a new document or if they all need be merged into a single output file. However, it is not possible to alter page dimensions, even though you can modify the size of page margins. Encrypt documents and insert watermarks Okdo Word Excel PowerPoint to Pdf Converter enables you to secure the generated PDF files with user and owner passwords. You can apply various restrictions, preventing other users from printing the document, copying or editing content. Additionally, custom text or image watermarks can be added at user-specified positions. All in all, Okdo Word Excel PowerPoint to Pdf Converter is a straightforward tool that can help you convert Microsoft Office documents, spreadsheets and presentations to the PDF file format. It supports batch processing and can encrypt the output documents, but lacks many other important functions. Okdo Word Excel PowerPoint to Pdf Converter Features: • Convert Microsoft Office files to PDF • Batch conversion • Ability to add text and image watermarks Okdo Word Excel PowerPoint to Pdf Converter Specifications: Language: English File Formats: All of Microsoft Office.docx,.xlsx and.pptx files. Other document formats are not supported File Size: up to 50MB Compatibility: Windows XP, Vista, Windows 7 Okdo Word Excel PowerPoint to Pdf Converter is a simple application that can be used to perform this task, provided Microsoft Office is installed on your computer. It supports batch processing, can apply watermarks and secure the created documents. However, the program does lack some important functions, preventing

Okdo Word Excel PowerPoint To Pdf Converter Crack Keygen Download [Latest]
